The Kincardine Cup

The Kincardine Cup will be a perpetual award given to the racer with the most points from the running of the Grand Prix de Kincardine. Their name will be placed on the Cup along with the year and the Cup will be kept by the race organizer until the next year. The Cup will be placed on display at the Family Funland Go Kart Track for all to see. A personalized commemorative plaque will also be given to the winner.

Note:

The winner must have at least 8 points to win the cup.

In the event of no one having 8 points, the names of the racers that have competed and accumulated points will be put in a hat and a winner shall be drawn.

This will also be done in the case of a tie.
